from our pastor

Dear Good People of Saint Mary,

Still enjoying the vibrant memories of such remarkable joy at all of our Easter Masses at the Expo Center, I wanted to share with you a photo I took before the 10:15 Mass began. It was, by all accounts, full. 3,500 souls gathered to celebrate the Resurrection. We welcomed probably about 2,000 at the 8am, and much more than last year, about 2,500 at the 12:30pm.

The music was beautiful, I was so grateful and pleased at our teams of ushers and greeters who welcomed every single person to Mass on Easter. And I was struck by the simple and genuine goodness of so many people all at once, people I haven't caught up with in a while and others who had returned for the holiday. You are a good family to belong to.

I did offer an introduction at the Masses on Sunday that was detailed but, I felt, important to give those attending Mass an idea of what we hope to be about in the coming year, as a preview. I explained that we are a community with a clear vision: to seek a real relationship with God, and a real relationship with the community in the context of our everyday lives.

We want to promote a culture where you can truly feel that the Church is at the center of your life.

This involves personal responsibility, an active commitment to prayer and service. Our parish is only as generous as each of us, with our time, our gifts and our resources to grow and add to our 90 ministries, to continue our parish tithe of 12% of all income to the poor.

As with any temporary space, there were some technical imperfections - we do our best, I can honestly say - and I also only got one critical email about the day... Out of How Many? That isn't a bad record. I thank all of you for your good hearted support and wonderful participation in the day. As I've said before, if you remember what it used to be like before we started going to Expo, you know what an amazing advance this is, and we still work at making it better every year. Imagine. If we had about 8,000 people for Masses on Easter Sunday -- plus another 700 at the Vigil -- that would mean that we would have needed to schedule 13 Masses in the church on Easter morning! As my friend says, "Nuff said."

Watch in coming weeks for our new schedule filled with adult education opportunities, Catholicism, Bible studies, book discussion groups, Life in the Spirit Seminars, Prayer and Life Workshops, hopefully a discernment group and a massive prayer ministry to come. We are adding parish health ministry and reaching out to our poor and homeless in new and effective ways with our partnerships in the community of Fredericksburg. We want to be intentional disciples of Jesus.

Go to the website www.stmaryfred.org and click on the SUBSCRIBE button - and you will get updates and announcements to keep in touch.

May God bless you.

holy cross academy

Touching the Minds and Hearts of Others

It is said that smiling is contagious and bringing happiness to others is an easy task for our Holy Cross Academy kindergarten students. During Holy Week our kindergarteners visited Greenfield Assisted Living in Stafford County. While there they had a patriotic sing along, participated in an Easter egg hunt and enjoyed cookies and juice with the residents. As they waved good bye students presented the residents with hand-made Easter cards spreading the hope of the Risen Lord. It was a wonderful morning enjoyed by all.

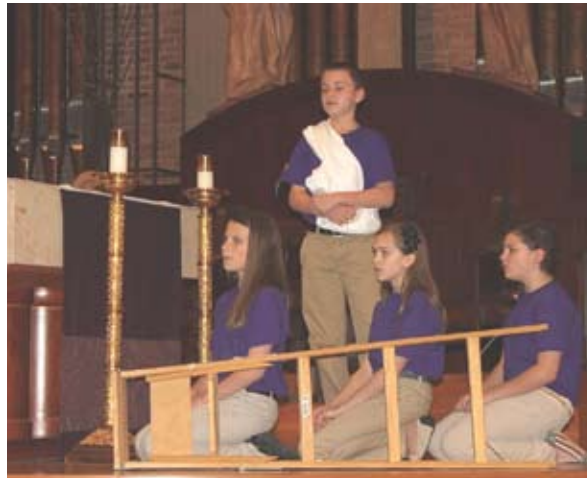

The Tale of the Three Trees was presented by our 6th graders. They performed for our school community during the day and for parents in the evening. The evening presentation was at St. Mary and parishioners were invited as well. They prayerfully depicted the story of the three trees which began as seedlings with hopes and dreams. The first dreamed of being used to hold a treasure one day and it became the manger for Jesus. The second tree dreamed of sailing the great ocean and holding many travelers. It became the fishing boat that held Jesus and the Apostles. Finally, the third tree wanted to grow big and tall and remind people to look up to God. It became the cross upon which Jesus suffered and died so that we could live. The Tale of the Three Trees is presented

annually and is a beautiful reminder that God has a master plan for all of us. Let us pray that we are always open to hear His voice.

If you want to learn about our school and all that we can do for your child, please call us at 540-286-1600 or visit our website, www.holycrossweb.com. For St. Mary Preschool, please call 540-373-7553. Holy Cross Academy is a place where each child can flourish and grow. We would love to hear from you and will gladly give you a tour of our National Blue Ribbon School of Excellence and tell you all about the wonderful things happening here.

Catechist Writes

Why are Religious Education classes important?

I started teaching CCD when my son asked me why he had to go but I didn't. As parents, we sometimes do not realize how our children are like sponges and absorb so much from our actions instead of our words. When my son and I started going to CCD together, I was amazed how much my faith grew by sharing and teaching my students. Religious Education gives our children the foundation to handle life. We put time, money, and support into the education of our children. How much of that is directed to their spiritual education? Today's media have such a strong influence on society. Children need to see and experience God's influence on them and the world. My CCD class was discussing the Beatitudes, and I asked them "What should be your top priority in life?" After a moment of silence, a student yelled out "God!" That is why we have Religious Education.

Pat McKnight, Retired Teacher

The Holy Father speaks to Children: Your First Holy Communion

St. Pope John Paul II speaks directly to children about the solemn importance of First Holy Communion in this excerpt from his "Letter to Children" written in 1994 during the "Year of the Family."

Dear friends, There is no doubt that an unforgettable meeting with Jesus is First Holy Communion, a day to be remembered as one of life's most beautiful.

The Eucharist, instituted by Christ at the Last Supper on the night before His passion, is a sacrament of the New Covenant -- the greatest of the sacraments. In this sacrament, the Lord becomes food for the soul under the appearances of bread and wine.

Children receive this sacrament solemnly a first time -- in First Holy Communion -- and are encouraged to receive it afterward as often as possible in order to remain in close friendship with Jesus.

To be able to receive Holy Communion, as you know, it is necessary to have received baptism: this is the first of the sacraments and the one most necessary for salvation. Baptism is a great event! In the Church's first centuries, when baptism was received mostly by grownups, the ceremony ended with receiving the Eucharist, and was as solemn as first Holy Communion is today. Later on, when baptism began to be given mainly to newborn babies -- and this is the case of many of you, dear children, so that in fact you do not remember the day of your baptism -- the more solemn celebration was transferred to the moment of First Holy Communion.

Self Help and Resource Exchange is a cooperative food distribution program that is new this year at St. Mary Church. The ministry is multi-faceted providing wholesome and nutritious food to families and individuals at a reduced cost while at the same time promoting volunteer service in our Parish and area Community, building relationships with other community organizations is strongly encouraged.

Most areas of ministry, in or out of the parish community, typically requires a commitment of one or two hours per month. Each package ordered requires two hours of community service – as long as the community service is doing something for someone else, it is acceptable. Distribution of packages takes place the fourth Saturday of the month from 8 to 9am.

Please contact Rick Caporali, rcaporali@stmaryfred.org for more information. Food Packages are available to everyone – no income requirements. Menus are available at the parish office or on the Outreach Ministry page on our website, www.stmaryfred.org.

Catholic Home Missions Appeal - April 26 & 27

There are 88 home mission dioceses in the United States – in areas like the Deep South, Appalachia, the Rocky Mountains, the Southwest and Alaska – all characterized by a lack of resources to provide basic pastoral care for their faithful. Most are unable to adequately provide Mass, religious education, evangelization and ministry training, and often struggle with priest shortages, parishioner poverty, unemployment, difficult terrain, religious hostility and other circumstances that impact the practice of the faith. The Diocese of Jackson, Mississippi encompasses two-thirds of the State which has the highest number of families living

below the poverty line in the US. The Diocese of St. Thomas in the Virgin Islands struggles to keep four schools open amid an extremely high cost of living. This Appeal helps keeps the doors of schools and parishes open, which otherwise would be forced to close and helps educate seminarians in poor dioceses. Your help and support is vital. Please give generously and help strengthen the Church at home. Thank you and God bless you for your continued support.

Choose Life Reflection

So where was Thomas on that first Easter night? Perhaps he was out looking for Jesus! After all, he had to see things for himself. Yet Thomas did not find Jesus until he returned to the community of Peter and the other Apostles. We too need the community of the Church united around the successor of Peter. There we find the strength to affirm life. *Lord, keep me always in union with the Church and vigorous in proclaiming life!*
