from our pastor

Dear Saint Mary Parish Community,

Greetings! For the past three weeks, I've had the pleasure and honor of living and serving here among you for my summer assignment. I thank you for your abundant kindness and hospitality that you've shown in welcoming me here in Fredericksburg, it's been a pleasure meeting you all and I'm excited to continue to get to know you and the parish as a whole a bit better as the summer progresses. This week, Father Rooney generously has given me a bit of space in the bulletin to introduce myself.

Right now, I'm currently coming to the end of my Seminary studies at the Pontifical North American College in Rome, and God willing, I'll be ordained a Deacon in October and then a Priest for the Diocese next June. My time in seminary has been a blessing and a graced opportunity to fall deeper in love with Christ and I'm enthusiastically looking forward to serving God and His Church as a Priest in the very near future.

Next to my faith, I'd have to say my family is probably the most important thing in my life. I grew up in Burke, Virginia as the oldest child in a family with four kids. My parents, Richard and Patricia, still live in Burke, and that's where I call home. I have a younger brother, Tom, and two younger sisters, Alison and Mary Catherine. In terms of our faith, I'd say we were a pretty average family. We went to Mass on Sundays and prayed during the week as a family. My parents were involved in the parish (Nativity) and my brother and I always served Mass on Sunday as well, but I never really considered being a Priest when I was in primary or high school. When I finally did graduate from Lake Braddock Secondary School, I wanted to be both a Scientist and a Musician, so accordingly I entered the University of Rochester to study Physics and the Eastman School of Music for Saxophone Performance.

My vocation story really took off when I got to college. Through a number of graced experiences and some good friends, God was at work

in my life, encouraging me to grow in discipleship and a personal relationship with Christ in faith. He used my love of the beauty of music to come to know and love Him as the source of all beauty in the arts, and my love of order and truth in the sciences to fall in love with the Word, the Son of God who is truth. Slowly but surely, my life changed for the better: I began to attend daily Mass, pray regularly and go to weekly confession. Then one day, the idea of Priesthood dawned on me while at daily Mass. "What if I'm supposed to be a Priest?" At the time, I wasn't overjoyed at the prospect. So, I dismissed it and moved on with life.

And yet, the idea still came back to me in prayer, time after time. I ran from it for quite a while. I graduated with degrees in Mathematics, Physics and Music Performance and got a job in Arlington working for SAIC, a large defense contractor. I really gave the life I thought I wanted my best effort, and still I wasn't content. So after two and a half years, I contacted the Vocations Director for the Diocese of Arlington, and then entered the Seminary. From that point on, I've been constantly awestruck by the grace of God, the blessings I've received and the great happiness and peace that has come from learning to accept God's will and vocation for my life. As I said, I'm joyfully looking forward to being a Priest in the near future, and I'm elated to be here in Fredericksburg for the summer!

God bless,
Rich Miserendino

All those aged 21 to 39 are invited to John Lee Pratt Memorial Park July 20 from 2pm to 5pm. Activities include a kickball game, lawn games, bubbles and more! For more information on this and other upcoming activities, please contact Allison Gatrone at StMaryYA@gmail.com to join our email list.

Parking lot project underway

Our long awaited Parking Lot Project began this week at Holy Cross Academy. Site preparations are being made while we are awaiting final grading permits/bonds so that the major work can begin in earnest. Traffic on the property should remain relatively unimpeded with minor disruptions along the main access lane on to the campus where we will be widening the road by 4 feet. The majority of the work will take place on the North end of the building (flag pole end) where we will be adding 46 additional spaces. The work is anticipated to be completed sometime in August before the school year begins. Please be patient and mindful of any changes in traffic flow while on the property.

SHARE Program provides a chance to save: orders due Monday, July 14

Some people have said they don't take advantage of the SHARE Program because they don't want to take food away from the poor. Others say it is because they don't trust the quality.

Both are misunderstandings. The SHARE Program is an opportunity offered through services of the Archdiocese of Washington, DC, much the same way that the "big box" discount stores operate. The Archdiocese buys food from the same people as grocery stores, in bulk quantities at a great discount, and then sells it at cost. Where a superstore might sell huge quantities at a modest profit, SHARE takes no profit, providing people with an opportunity to save their money for other necessities. Unlike food banks who deal mainly with non-perishable foods, your orders each week allow us to purchase meats, fruits and vegetables — healthy food — without waste. It is a brilliant idea, and a program whose potential is huge, if we only use it. Please see page 9 for this month's shopping list.

got mulch?

The mulch-awaited moment is near and there is mulch to be done! Join us on Tuesday, July 29 for an evening of fellowship and mulching of the properties of the St. Mary campus. Starting at 5pm and joining us as you are able, we will unload and spread a new layer of mulch in the beds around the Church, Catholic Charities, the JP2 house and the PLC. Let us know you are coming and we will have pizza and age-appropriate refreshments. Definitely not mulch adobe about nothing — come and beautify our environment. Remember, to whom mulch is given, mulch will be required.

Contact the parish office if you can help, so our Landscape Committee will know how much mulch and dinner to order. Oh - and, please bring your implement of choice, a rake or a shovel. Thanks mulch!

- Medication review

- Care of caregivers
- Referrals to community resources

religious ed

Thanks, CCW

The Council of Catholic Women of St. Mary's has again donated to the Religious Education program. Last year they gave us \$500.00 which was used to purchase children's Bibles for the classrooms. This year they gave us \$800.00. The donation will be used for New Evangelization programs for Catechists and parents. The objective is to explore "the Church's mission within the challenges of contemporary culture" focusing "on the cultural obstacles the Church faces today" such as a secularized world and the need to evangelize the baptized.

Registration for Religious Education

Registration is ongoing. Hurry; some sessions are almost half-filled. Please remember that the cost of registration increases to \$50.00/child on Aug. 1.

Catechists needed

Make a difference in a young person's life. Volunteer as a catechist, catechist's aide, prayer aide, substitute catechist or office volunteer. We need you. Training is provided, background check required. Contact Karen Sturtevant at ksturtevant@stmaryfred.org or 540-373-6491.

Two reasons to be a catechist:

To grow in faith and learn: "The time spent on preparing the lesson is time spent reflecting on your own faith and knowledge."

To be involved: "Teaching in the Religious Education Program helps me be more involved in not only my children's education, but also in the church in general."

Parish Building Fund next weekend

The Second Collection for July 19-20 is for the Parish Building Fund. When we completed our beautiful renovations four years ago, having decided to pay our debt out of our operating expenses rather than commit the parish to a Capital Campaign, we agreed to a monthly payment to satisfy our loan. This monthly collection helps meet our payment, and 100% of your gift is earmarked as a restricted fund only for this purpose. Every gift is helpful. Thanks for your generosity.

Children's Offertory Envelopes for July

Children's Offertory Contributions for the month of July will be donated to Families of the Wounded Fund. This fund was created in 2005 to help the families of service members who come to McGuire Veterans Affairs Medical Center in Richmond with traumatic brain injuries and spinal-cord injuries from combat in Iraq and Afghanistan. The organization gives 100 percent of all tax-deductible donations to the families to help with food, lodging, transportation, child care, diapers and long-distance calling cards during the many weeks a family is in the Richmond area, and each family currently receives \$6,000.00. For more information, visit their website at www.familiesofthewoundedfund.org.

Electronic Offertory Faith Direct available now

Faith Direct enables your family to make your parish contributions through either direct debit to your checking account or through credit cards. No more writing checks or searching for envelopes on the way out the door. Now you can apply the convenience of direct debit to your parish offerings in much the same way as you may now use it to make your mortgage, car or tuition payments.

For parishioners currently giving electronically, *Faith Direct* will be replacing our current electronic giving process, so we ask you to "make the change" as soon as you can.

With *Faith Direct*, the parish will gain predictable cash flow that will help us with planning our parish needs and programs. *Faith Direct* also offers you personalized offertory cards to replace your envelopes for the collection basket.

Please join in enrolling by responding to the mailing you will receive or visit www.faithdirect.net to enroll securely online. Our parish code is **VA635**.

Pro-life thought for July

"All of us must care for life, cherish life, with tenderness, warmth...to give life is to open (our) heart, and to care for life is to...have concern in my heart for others. Caring for life from the beginning to the end, what a simple thing, what a beautiful thing... So, go forth and don't be discouraged. Care for life. It's worth it."
---Cardinal Jorge Bergoglio (now Pope Francis), homily for the feast of St. Raymond Nonnatus, patron saint of expectant mothers and newborns, August 31, 2005.
