HOLY CROSS ACADEMY

IMMAČULATE

CONCEPTION

Roman Catholic Church

Dear Good People of Saint Mary,

Snow days are a disaster! I hear from teachers at Holy Cross and other area schools, the kids are all mixed up. Days on, days off, no rhythm or rhyme to the process. Class work is disjointed, not following easily from day to day. As much as some of us might not like to admit it, we are people of routine. If we fall out of the habit it is hard to get back on track.

Masses here at church have been the same. Broadcast threats of storms that never quite materialized kept a lot people home, preferring not to go out and take a chance. One weekend attendance was less than half the normal attendance and the weather never really materialized, the roads were clear, it was our doorsteps or driveways that were slick. On the other hand, on another weekend we did have a lot of weather.

There is a truism that goes like this: "It is not wise to do something foolish." But sometimes it is foolish to be so controlled by others, particularly media who sell a lot of advertising if they can prove that a lot of people tune into their scary weather predictions. It has reached the level of foolishness, I think, how we have lost our nerve, or our courage to try. One lady told me she stayed home last weekend because she heard on the radio that there were icy patches, only realizing later that they were talking about the mountains in West Virginia.

It is also hard on a parish when Ma ress early on in the season of Lent may stalled: what can be done?

Rev. Aaron Dobynes Like kids in school, we are easily distracted and it takes a lot of energy to get back on track, but we still have a couple of weeks left: take the time you need to save Lent, if you need to. When I need to pay closer attention to work that isn't get-

ting done, I rely on a daily list. (People harass me for the way I use lists all the time; I have lists of lists.) But sometimes the physical action of writing it down will help to assure that it gets done.

Add prayer to your Outlook calendar. Ask your wife or husband or kids to help you to get it done. Express a priority for these things with those you love and ask them to complete them with you. Mass, and prayer, service, almsgiving for the poor, fasting, little sacrifices here and there—these are all things that we can do with one another to strengthen our resolve and improve our focus, and refocus. They will help us to be prepared for that moment when we recommit ourselves to the promises of baptism that we made years ago, or were made for us, that we must own again at Easter to move forward.

Here is a quick list of some ideas, they are called the spiritual and corporal works of mercy. Our confirmation candidates should be well aware of these by now. Here's a checklist—mark all the ones you can realistically complete before Holy Week and check your progress before you go to bed at night. You might be surprised how natural these are to who you are!

it is also hard on a parish when Masses are not
even near half-full. And I'm not talking finan-
cially (though these weekends do represent a
huge hit). I'm talking about the momentum we
have built spiritually, gathering for prayer, build-
ing ourselves up as a community, growing in our
penance and special practices as a parish family,
praying together. It seems that, out of the forty
days of Lent, we've already had a lot of holidays.
Two of the first three Sundays of Lent were very
light. People stayed home from Forty Hours and
our parish mission. What may have been prog-

Co	rporal Works of Mercy
	To feed the hungry.
	To give drink to the thirsty.
	To clothe the naked.
	To shelter the homeless.
	To visit the sick.
	To visit the imprisoned

All seven of the first group are possible, practically on a moment-to-moment basis of our daily life. The second group requires some preparation and homework. Still, all of these are close to home and our parish does these things everyday. Maybe you could get involved in any number of ways that allow us to complete these commands.

God bless you. The Down

School of Excellence, 2012

Working it out!

Sometimes in Math you just have to get down on the floor and work it out! At least in Kindergarten you do. HCA Kindergarteners enjoy exploring one-to-one correspondence using their linking cubes. They are learning about odd and even numbers and discovering how they can link them together and take them apart.

As the students progress through the grades, they enjoy problem solving and finding different solutions to the same problem. They have learned to "put on their thinking caps" so they can stretch their imaginations and their thinking skills. Math classes at HCA are exciting as we are all learning to stretch our minds to learn new concepts and explore the world of mathematical reasoning.

If you want to learn about our school and what we can do for your child, make an appointment to come see our school by calling us at 540-286-1600. We are currently registering all grades for

the 2015-2016 school year. You can also visit our website, www.holycrossweb.com. For St. Mary Preschool, please call 540-373-7553. Our school is a place where each child can flourish, grow and learn. We would love to hear from you and will gladly give you a tour of our National Blue Ribbon School of Excellence and tell you all about the wonderful opportunities we provide for our students.

Operation Rice Bowl

Visit Lebanon and learn about the crisis in Syria at www.crsricebowl.org/stories-of-hope/week-4/

Hungering for peace

We journey with CRS Rice Bowl to Lebanon to be present to a people who themselves are on a journey. Here we meet a family of Syrian refugees, a family perhaps not so unlike our own. We are challenged through our almsgiving this week to reach out to those who are forced to flee their homes, who are seeking shelter in a land of peace.

Try a recipe

Be sure to try the delicious recipe from Lebanon, "fattet laban." Watch its preparation at www.crsricebowl.org/recipe/fattet-laban/

Reflections

Spend 5 minutes a day reflecting on this week's calendar entries from Sunday, March 15-21. www.crsricebowl.org/reflections/

God of all people, we offer you our Lenten journey. May we learn to walk as one human family, remembering in a special way those who are poorest and most in need. Bless our prayers, our fasting and our Lenten gifts. Through these actions, we show our love for your Son, Jesus, and answer your call to love one another. Amen.

Join us for the Novena at the end of Masses every day, or include this in your prayers at home as we entrust our parish and school to good Saint Joseph.

Join our Novena to Saint Joseph March 11-19

"O Saint Joseph, whose protection is so great, so strong, so prompt before the throne of God, I place in you all my interests and desires.

O Saint Joseph, assist me by your powerful intercession and obtain for me from your Divine Son all spiritual blessings through Jesus Christ, our Lord; so that having engaged here below your heavenly power, I may offer my thanksgiving and homage to the most loving of Fathers.

O Saint Joseph, I never weary contemplating you and Jesus asleep in your arms; I dare not approach while he reposes near your heart. Press him in my name and kiss his fine head for me, and ask him to return the kiss when I draw my dying breath.

Saint Joseph, we place our parish of Saint Mary and our school Holy Cross Academy under your watchful care and protection. Grant us all we ask of you today so that we may grow in holiness and that our works may prosper and grow.

We offer this prayer through Christ, our Lord. Amen."

On March 4, Fr. Don Rooney led the Micah Lenten Prayer Service at Christ Lutheran Church, followed by lunch. Lenten noon prayer services have grown in popularity each year as we rotate through Fredericksburg with different clergy at different churches. The photo above shows the crowd that literally filled Christ Lutheran.

Children's Offertory Envelopes For March

The children's charity that will benefit from the offering in March is Stafford Junction, a faith-based nonprofit organization tasked with improving the lives of children and their families in low-income neighborhoods in Stafford County through programs focusing on education, nutrition, and healthy living. With the intervention of Stafford Junction, the crime rate in the Olde Forge neighborhood dropped by more than 50% within two years. Stafford Junction is a mission project of our parish and children's donations will assist the parish in providing much needed support for their programs. For more information visit their website at www.staffordjunction.org.

Choose Life reflection

In Lent, the Church enters more deeply into meditation on the suffering, death, and Resurrection of the Lord Jesus. Life was sacred because He made it, and by His Passion and Resurrection it is even more sacred because it is now raised to the heights of Heaven to reign with Him. Lord, I am filled with wonder at Your love for human life – everyone, born and unborn! May our

laws and practices treat humans with the highest respect due them.

Parking Announcement

We are so pleased to see so many people attend Mass each weekend. We realize that parking is a challenge and we appreciate your understanding and patience. However, we wish to remind you that parking is not permitted in any of the fire lanes, along the curbs on the side and rear of the parking lot, since it blocks traffic and prevents fire trucks or ambulances from getting through in an emergency. Towing will be enforced if necessary at the car owner's expense. We also understand that fire trucks will actually push cars out of the way in an emergency, and any resulting damage to the cars will be the owners' responsibility.

A letter of thanks from Rocafuerte

Dear and Reverend Father,

After greeting you respectfully, on behalf of our Regional Mother, Sister Maria Klara Falzberger, I send you our deepest and sincere gratitude for all the efforts your parish has made for achieving a significant sum of money for the construction of the schoolhouse of our Sisters in Rocafuerte, Manabi, Ecuador. Our Sister Elizabeth Anne told me the good and comforting news.

Work continues forward.

Currently in Rocafuerte, and in the greater region of the coast, it should be raining. Unfortunately the lack of precious rain promises a very difficult year, especially for the poor farmers living in their fields. In contrast, in the region of the mountains, overly heavy rains are causing flooding, the destruction of the simple houses of poor people that cannot withstand such weather, and the destruction of crops. In short, the poorest unfortunately suffer most the consequences of bad weather. There are so many who have to fight hard every day just to survive.

Heartfelt thanks, dear Father, for remembering our brothers and sisters most in need. I like to think that God will give your parish a high reward, because Jesus said, "What you do unto the least of mine, I receive as done to myself!" Receive humble prayers of the beneficiaries, as well as those of the Oblate Sisters of St. Francis de Sales, along with our repeated thanks

Sister Maria Clotilde Burkart

Stations of the Cross

Stations of the Cross take place every Friday evening during Lent. Join us in the Church for Stations at 7:30pm in English and at 8:00pm in Spanish.

Lenten soup suppers

Our Lenten Soup Suppers take place in the Parish Life Center on each Friday during Lent from 6–7:30pm. Share a Lenten penitential meal of soup and bread with your parish family, and share what you would have spent on dinner that night with those in need. All free-will offerings received are given to charity. Bring the whole family to enjoy good soup and good fellowship—and then spend time with Jesus in prayer.

Welcome to SHARE at St. Mary Parish!
