HOLY CROSS ACADEMY

Dear Good People of Saint Mary,

I wish I could perfectly represent the beautiful welcome and love that we have encountered at each of the Oblate missions in Pella and Matjieskloof, South Africa and Gabis, Namibia. I have a remarkably even greater respect and love for our Oblate Sisters and Priests, who have truly shaped the faith of southern Africa in many places. Every town where they are present the far majority of the population is Catholic, and they are in some of the most remote and desolate places you can go. ...And they went 100 years ago, before there were any comforts invented or cars to drive. They are inspiring.

The photo below is of all the students at Saint Joseph School in Gabis. It is by far the poorest of all the missions, and we toured their classrooms, their dormitories and refectory. The students sleep on bunk beds in rows, 60 to a room I would guess. They were so joyful and kind, it is a very special place. I hope this year that you will be willing to adopt this place in the desert and bind our parish to them in charity. They are so poor. But ask them to sing, they erupt in song and dance, singing about Jesus in parts with that beautiful African style. Such beautiful children.

While we were there I realized that only some of the 200 or so children had pillows—I asked one of the Sisters about it and she said that she just didn't have time to sew them herself. Well, you know that collection we take up every year, "Pastor's Choice"? We're buying pillows and pillow cases for each child as soon as we can transfer money.

Our day in Pella was probably the most special.

You will find some more photos on pages 8 and 9. The entire town of Pella turned out, several groups of students had prepared traditional dances, met us at the gate and led us to their beautiful cathedral. Several parish choirs from the region (one from Namibia) came and the singing was amazing. About 50 Oblate Sisters attended, including Mother General Francoise Bernadette and two Sisters from the Mother House in Troyes, France. Bishop Risi presided. Since its foundation, Oblate priests have served the mission both as bishop and pastors since 1875 until shortly after Bishop Risi came ten years ago.

After Mass the procession continued to the front of the new convent which we helped to build—we are included in all their thanks and prayers. Rooms are named after our parish, and a plaque on the front of the house thanks, especially, Saint Mary of the Immaculate Conception in Fredericksburg, Virginia. The house is nicely designed and built, with the Sisters' little rooms situated around a small sunny courtyard. The singing continued, everyone was invited to tour the new house, and afterward the 300+ guests were invited to stay for lunch, a lunch that the Sisters and helpers cooked over fire for three days.

We gathered the following day, just our group from the U.S. and the Sisters, to dedicate the chapel with Mass. Hopefully we can put together a presentation of photos and videos that you can enjoy after we return. Anyway, I just wanted to let you know how important you are and how you have made a profound difference in the faraway land of South Africa.

God bless you.

religious education

Dear Parishioners of Saint Mary,

We are most grateful to carry home with us fond memories of your beautiful parish and loving community.

Most importantly, we collected 202 sponsorship forms, meaning there are that many more children, youth, and elderly who have a future that suddenly has become brighter, unbound from the constraints of poverty and sure in the hope that God doesn't disappoint.

You can still become a sponsor by using the Unbound bulletin insert from last weekend or do so online at www.unbound.org.

Thank you on behalf of the newly sponsored and thanks for the pleasant stay.

Sincerely in Christ,

*Fr. Jerry Hackenmueller
and Fr. Tom Malloy,
O.S.F.S.*

Parents: Register your children for Religious Education classes

We all want the best for our children. It is no surprise that many of us brought our children to the waters of Baptism shortly after they were born. We believe that living as the followers of Christ is the best thing that we can desire for our children.

The celebrations of our children's Baptisms are only the first steps of their life-long journeys of following Jesus. As our children grow older, we guide their feet to the next steps. Somewhere along the way, Jesus turns to each of us, as he turned to his first disciples, and asks "What are you looking for?" (Christ Our Life, Home Learning Guide, pg. 9)

Religious education classes guide us through this spiritual journey so that we can live in God's Kingdom of freedom, peace and happiness. Studying our belief system will help

us answer the "What?" and "Why?" questions. If we do not understand why we are followers of Christ we will be easily distracted by the blinding lights of selfishness and desire. True freedom, peace and happiness come from living as God wants us to live.

Parents register your children for Religious Education classes and help them:

- Deepen their relationship with Jesus.
- Develop a genuine Catholic faith.
- Embrace a Catholic worldview.
- Create consistent Catholic practices that nurture their soul.
- Maintain connection and support from a Catholic community.

Religious Education volunteers needed

We are still in need of Religious Education volunteers, especially Catechists. Please volunteer and help our children grow closer to Jesus and his Church.

Called to serve as an usher or greeter at Mass?

Please answer our open invitation to serve as an Usher or a Greeter at Mass. Do you feel called to help people feel welcome and experience good order at our liturgies? We are currently seeking to fill our Ushers' roster with adults who can help people as they arrive at Mass and get seated, facilitate the offertory and help with good order at Communion. We also invite teens and adults to welcome people as Greeters, help people

from their cars into the church, give them a liturgy sheet and feel welcome.

General training for Ushers and Greeters for the coming year will take place **Saturday, August 29, at 9:30am** in the church.

If God is calling you to get involved with community in this capacity, please contact Mr. Joe Cralle at jacralle@gmail.com and let him know your contact information and the Mass at which you would be interested in serving.

Special collection for the Children's Programs of the Fredericksburg Area Food Bank

August 1 & August 2—Next weekend we will take up a special collection for the following Children's Programs of the Fredericksburg Area Food Bank:

Food For Families School Food Pantry—The mission of the School Food Pantry program is to help alleviate child hunger for families in crisis. School-based pantries are located on the grounds of a school to provide a more readily accessible source of emergency food assistance to students and their families. As a need is identified by school staff, the pre-packed boxes containing a few days of emergency food, along with resource materials

such as a pantry reference list and SNAP information, are distributed to the families in need.

Club Kids—This structured after-school snack program provides nutrition among at-risk children, ages 4-18 years, who qualify for free or reduced lunch and attend school at one of the schools now enrolled in the program. This mission of Club Kids is to provide nutritious snacks to at-risk children in an environment that is safe, accessible, and convenient. Over 3,000 kids are being fed monthly at sites throughout our service area. Sites are located at schools, faith-based organizations, the Boys and Girls Club, and Bragg Hill Family Life Center.

Kids on the Go Mobile Pantry—The Kids on the Go Mobile Pantry Program is designed to provide at-risk children who

receive free or reduced lunch during the school year with a bag of nutritious, child friendly meals and snacks to take home each week during summer school when school meals are not available. Kids on the Go Mobile Pantry helps to alleviate childhood hunger by bridging the gap when a reliable source of food may not be available.

Your kindness and generosity in supporting the less fortunate in our community is greatly appreciated. For more information visit www.fredfood.org/Programs/ForChildren. God bless you.

Please remember that Mass intentions may be requested at the parish office for any remaining Masses of the year. If dates are no longer available for the date you desire, you are welcome to request an intention that is "unscheduled," and one of the priests will gladly celebrate Mass for your intention at an extra Mass during the week or as a concelebrant.
