What is SPAM/MAPS?

This is an acronym that stands for Spiritual, Personal, Apostolic, and Moral. (*Our guy's call it SPAM and the girls call it MAPS—it's the same exact thing*). This is also known as a Share Group in most Catholic Christian circles. On SPAM/MAPS nights we break students into smaller groups of 4 – 5 with an Adult Moderator. Each student shares how they are doing in the above mentioned categories. The intent is for students to have a small community of trusted peers guided by an Adult Moderator to find encouragement, support, accountability and prayer. For many of our students they don't have anything like this in their lives, and therefore enjoy knowing that they can in confidence, and confidentially share what's going on. Students are free to share as much or as little as they wish. The Adult Moderators communicate what are appropriate things to share and what shouldn't be shared. These groups are a critical formation component for our YOUCAT program.
