WorkCamp 2021

Participant Information Packet & Application

Frederick, MD: June 19 - 25.

Designed for those entering the 10th grade in the fall of 2021 and older

"I truly believe that when the poor meet the rich, riches will have no meaning. And when the rich meet the poor, we will see poverty come to an end." - Shane Claiborne.

What is WorkCamp?

WorkCamp is a week-long mission trip designed to help high school students live out their Catholic faith. This is accomplished through direct service to people in need, communal prayer and worship, small group discussions, talks, and much more. The work depends on the work site you are assigned, but is typically light to moderate home improvement and/or construction. All work is well supervised and safe.

How can I participate in WorkCamp?

If after reading through this information packet you decide you would like to make the commitment to be involved in WorkCamp this year, please fill out the attached application and turn it in by Sunday, November 29th with a non-refundable deposit (see chart below for deposit cost). At that point, you will need to attend ALL mandatory events and participate in fundraising efforts.

How much does WorkCamp Cost?

Participant fundraising efforts pay the majority of the expenses, but any leftover costs will need to be incurred by the students and parents. We highly recommend that you discuss your WorkCamp trip with friends and relatives and ask them to support you financially. Adults that go to WorkCamp as Crew Leaders do not have to pay, their fee is included in the campers cost.

Frederick County, MD:	total cost - \$600	deposit - \$75

Mandatory events that all WorkCampers must attend:

1. Fundraising and Initial meeting – Sunday, November 29th: 12pm – 1:30pm at **Holy Cross Academy**, main hall. We will outline fundraising efforts and recruit adults to help with fundraising and various activities required to make WorkCamp happen. **Teen and at least one parent/guardian must attend.**
2. WC Lock-in – Saturday, March 6th: 4pm to 10:30pm. Held at Holy Cross Academy. At the Lock-in, we will go over the required formation sessions the WorkCamp ask of us and we will share team building and fellowship among our WorkCamp participants. This is crucial to building the spiritual and working relationships that form a team of young Catholics who contribute to the faith formation of all with whom they interact every day.
3. Tool Training day – Saturday, May 8th: noon – 6pm. Will serve to train our teens to use power tools, ladders, and other safety equipment properly for camp. It is also where we build one of our fundraisers we will raffle. **We will have 2 shifts: noon – 3pm, and 3pm – 6pm. Shift time to be determined.**

Failure to participate in any of these events will result in your immediate withdrawal from WorkCamp

It is your responsibility to remember these dates and to be present at these events! Note that these are just the mandatory events and that fundraising activities will be *outside* of these events.

Parent Responsibilities

WorkCamp requires a lot of work that must be delegated to more than a handful of people. We ask that each parent sign up to a minimum of 3 events (*fundraisers, lock-in, tool training, etc.*) to help share the load. At the November meeting, we will have a list and calendar of all the different jobs for which we require assistance. Please make sure you sign up! If you are attending one of the camps as an adult crew leader you are fulfilling your 3 event requirement.

Can I miss a mandatory event?

No. Participation in one of our WorkCamp trips requires an incredible amount of preparation, formation, prayer, and team building. We are a team and the team depends on everyone! If when you turn in your application you are already aware of a life event that you cannot miss (like your sister's wedding, or your brother's graduation), we can make an exception for these very important events, but you must speak with Tatiana immediately. Emergency situations that would result in your absence from one or the above (*especially the Lock-in*) would mean you physically cannot move to get to these meetings. A cough, stomach pain or other ailments that do not render you immobile are not acceptable excuses. We are serious!

Other extracurricular commitments are important, too, but if there is a conflict, you will need to decide which commitment is more important to you. If you choose the other commitment (*like a sports team, band, drama, etc.*), then you are choosing not to participate in WorkCamp this summer. Some of the most difficult choices in life involve choosing between two things that are good. We understand how difficult it is to say "no" to a commitment. The decision is ultimately up to you, and we support that decision, even if it means you have to miss WorkCamp this year.
