### **Friends... What are they good for?**

Fr. Robert Renner is a priest of the Diocese of Arlington and parochial vicar at St. Mary of the Immaculate Conception in Fredericksburg. He has been known to have at least two friends and through these brief experiences pretends to have learned a lot. Using the books he was forced to read in seminary, he will guide us through how the ancients and the scriptures understand friendship. He will also try to apply this knowledge to his own life by processing it out loud in front of us all. This is a night not to miss! Come join for good friends, good beer, and good conversation. Maybe even Fr. Renner will meet someone he can talk to!
